Loop Voice and Data Fault Handling Policy

This document details the fault reporting arrangements for Loop.

Service faults are handled through Loop Support Desks. The Support Desks cover all products and services within Voice, Mobile, IT and Data.

Voice Support Desk

Tel: 01206 848090

Mailbox: helpdesk@loopvoiceanddata.co.uk

The Support Desk is in operation from 09:00 to 17:30 Monday to Thursday and 09:00 to 17:00 Friday. Clients with bespoke contracts will be given alternative contact details.

Urgent Faults

Urgent faults should be reported by telephone via the Support Desk on 01206 848 090 option 1 and emailed to helpdesk@loopvoiceanddata.co.uk. Reporting a fault by telephone allows the Support Team to carry out an analysis and capture necessary information at the initial stage. Upon logging a fault, you will be allocated a ticket number which will be used for all subsequent enquiries and tracking. Any supporting evidence should also be emailed helpdesk@loopvoiceanddata.co.uk along with your ID Number.

Non Urgent Faults

Less urgent faults should be emailed to the helpdesk@loopvoiceanddata.co.uk mailbox. You should detail your name, company, contact information and a summary of the fault in question alongside any supporting evidence. This mailbox is only covered during normal working hours.

Mobile Support Desk

Tel: 01206 848 090

Mailbox: helpdesk@loopvoiceanddata.co.uk

The Mobile Support Desk is in operation from 09:00 to 17:30 Monday to Thursday 9.00 to 17.00 Friday. To report a fault please email loopvoiceanddata.co.uk and provide a brief description of the issue i.e. whether the fault is related to a handset or network. You will be contacted by the Support Team to discuss your fault.
