Slavery and Human Trafficking Policy

Slavery and human trafficking are incompatible with the values of Loop Voice and Data, which are: -

- Inclusion and welcoming
- Responsibility and accountability
- Being supportive and caring
- Openness and transparency
- Honesty and reliability
- Professionalism and efficiency

We expect the same high standards from our suppliers and those with whom we work.

We will work with our principal suppliers to ensure our approach to human trafficking is reflected in all our purchases of goods and services so that neither we nor they are involved in any way, either directly or indirectly, in slavery and human trafficking.

We are committed to ensuring that slavery and human trafficking have NO place on our business.
